

# **Portland Passport**

## **How it works**

- 1. Pick up a passport, either from a local stockist, or download a copy from the Portland Tourism website: [www.portlandtourism.co.uk](http://www.portlandtourism.co.uk).**
- 2. Decide which business you'll be visiting and present the passport to them in person. A list of participating businesses is available at [www.portlandtourism.co.uk](http://www.portlandtourism.co.uk).**
- 3. The business will either stamp or sign your passport to verify that you have been to that destination. And enjoyed the benefits or incentives as advertised.**
- 4. Visit as many other participating businesses as you can, to complete the grid on the passport. This need not necessarily be completed in the same day. You have until 31st December to complete the grid.**
- 5. When the passport is complete, please complete your contact details and return it to: Portland Visitor Information, care of The Heights Hotel, Portland, Dorset, DT5 2EN, to be in with the chance of winning a free island break. Good luck!**
